WET FOOD YOUR DOG WILL LOVE!

Wet food still contains all the tasty cooking juices of the delicious ingredients, unlike dry food. Not surprisingly, dogs love wet food!

EURO PREMIUM pâté is packed with tender meat, fresh vegetables and juicy fruit. In addition, the specially designed and delicious spice mix creates a delicate aroma when you open the can.

Nutrition experts have worked together to create the optimum balance of high-quality nutrients, essential vitamins and healthy minerals. And in every can.

HEALTHY,
ENERGY-PACKED MEALS
THAT SUPPORT DIGESTION
AND MAKE YOUR
DOG HAPPY!

WHY IS WET FOOD SO NICE TO GIVE?

A DELICIOUS TREAT

- The dog loves it
- It is a healthy, natural change to the daily menu

HEALTHY INGREDIENTS

- Premium ingredients: real meat, without soya or other fillers
- Grain-free, without preservatives, colourings or flavourings

VARIETY IN THE MENU

- Variety of flavours
- Different textures (dry and wet)

AN ABSOLUTE TASTE BOMB

- Tasty meats and fish
- With a mix of vegetables, fruit and herbs

ADDITIONAL BENEFITS OF PÂTÉ

EASY TO CHEW

Wet food is ideal for puppies with milk teeth or during tooth change, as well as senior dogs with sensitive gums or missing teeth.

AROMAS THAT MAKE YOUR MOUTH WATER

Ideal for dogs with a reduced appetite or dogs that can no longer digest kibble due to illness or old age.

BETTER FOR THE WAISTLINE

With fewer calories (per kg), wet food helps dogs maintain their weight and still feel satisfied.

HYDRATATION WITH EVERY BITE

Supports fluid intake in dogs that drink little and contains no added sugars or salt.

TIP

WET FOOD IS ALSO IDEAL FOR MAKING MEDICATION (PILLS OR POWDERS) EASIER TO INGEST.

HOW DO YOU START GIVING WET FOOD?

Are you already feeding wet food? Then you can just keep up your usual routine. Now that's handy!

Are you not feeding wet food yet? Then start with a quarter can per day for 4 days. After that, you can give a quarter can per meal twice a day. Over time, you get to choose completely on your own - depending on your dog's needs.

WEIGHT MAINTENANCE

Amount of wet food per day	Cans	Amount less of dry food to give per day
400g	1	100g
200g	1/2	50g

WEIGHT LOSS

Amount of wet food per day	Cans	Amount less of dry food to give per day
400g	1	150g
200g	1/2	100g

HOW MUCH PÂTÉ CAN YOU GIVE?

EURO PREMIUM pâté offers your dog a complete diet with plenty of vitamins and minerals! If you give wet food, it is better to reduce the amount of dry food.

The table on the right is a guideline you can follow. Monitor your dog's weight carefully, as the optimal amount of food depends heavily on age, size, activity and metabolism.

EURO PREMIUM COMPLETE PÂTÉ
